1. Reference is made to IO Division's memorandum requesting a Proprietary Approval to permit Subject's use as a member of the Committee for Free Latvia, a TPTONIC-sponsored exile organization, and to a subsequent memorandum from this office requesting overseas traces in order to make a final security determination regarding the Subject's use under TPTONIC.

2. Since the traces were not forwarded and in view of the time that has lapsed since they were requested, it is assumed that there is no further interest in Subject by Project TPTONIC. Accordingly, our records in this case are being closed.
